

Iran Annual Compensation Survey - General Industry

The **Iran Annual Compensation Survey (IACS)** has been running since 2002. It is the only compensation survey in Iran and is based on an international global grading system. The survey is produced based on confidential data shared by participants and as such is sold only to participating companies in the present or forthcoming survey cycle.

The IACS cycle runs from **September to December** each year. The IACS report is produced in December. The contents of the general report are as follows:
