

IRAN COST OF LIVING REPORT 2015

The **Iran Cost of Living Report (ICOL)** is a bi-annual survey designed to assist companies to:

- Track unofficial inflation figures
- Develop better local and expatriate compensation packages
- Identify incentive and retention factors

The selected basket comprises a standard basket of goods and services commonly used by expatriates and foreign companies in Iran. One of the most outstanding features of this report is its realistic and practical presentation of three different price ranges for each item ranging from low-budget to medium and luxury goods.

The ICOL survey is carried out in Tehran, however additional cities may be surveyed upon request.

Key features include:

- Executive Summary
- Full price list and survey details
- Practicality and user-friendly
- 3 different price ranges from domestic to luxury product, lowest to highest price
- Comparison between domestic and imported prices
- Interesting and easy to comprehend graphs and tables

The product categories covered in this report include:

<p><u>Food categories:</u></p> <ul style="list-style-type: none"> • Cereals and bakery • Meat and poultry • Dairy products • Fruits and vegetables • Miscellaneous 	<p><u>Non-Food categories:</u></p> <ul style="list-style-type: none"> • Apparel • Accommodation and housing • Education • Medical care • Transportation • Utilities (telephone, electricity, gas charges)
---	---
