

# Iran Expatriate Compensation Survey

The [Iran Expatriate Compensation Survey](#) has been produced for expatriates working in Iran. This has been especially useful for foreign and multinational companies to understand the different compensation elements in relocating to Iran. Although this survey is specifically designed for Tehran, other cities can also be examined and added to the study.

The survey is produced based on confidential data shared by participants and as such is sold only to participating companies in the present or forthcoming survey cycle.

The contents of this survey are as follows:
